Reading for Pleasure: Transforming your school's reading culture (TSRC)

Evidence-based leadership CPD for primary English Leads

The TSRC programme is a sustained, research based CPD programme aimed at primary English Leads. During the course of the programme participants will engage deeply with reading for pleasure pedagogy and leadership theory to transform their school's reading culture. Gap tasks will be related to developing participants' own knowledge of children's literature, understanding of reading for pleasure pedagogy and developing the reading for pleasure culture in their school. Those who commit will be expected to attend all sessions.
